**CHUNG JEN**  
International Gift Co., Ltd.

Automated Production  
One-Stop Service

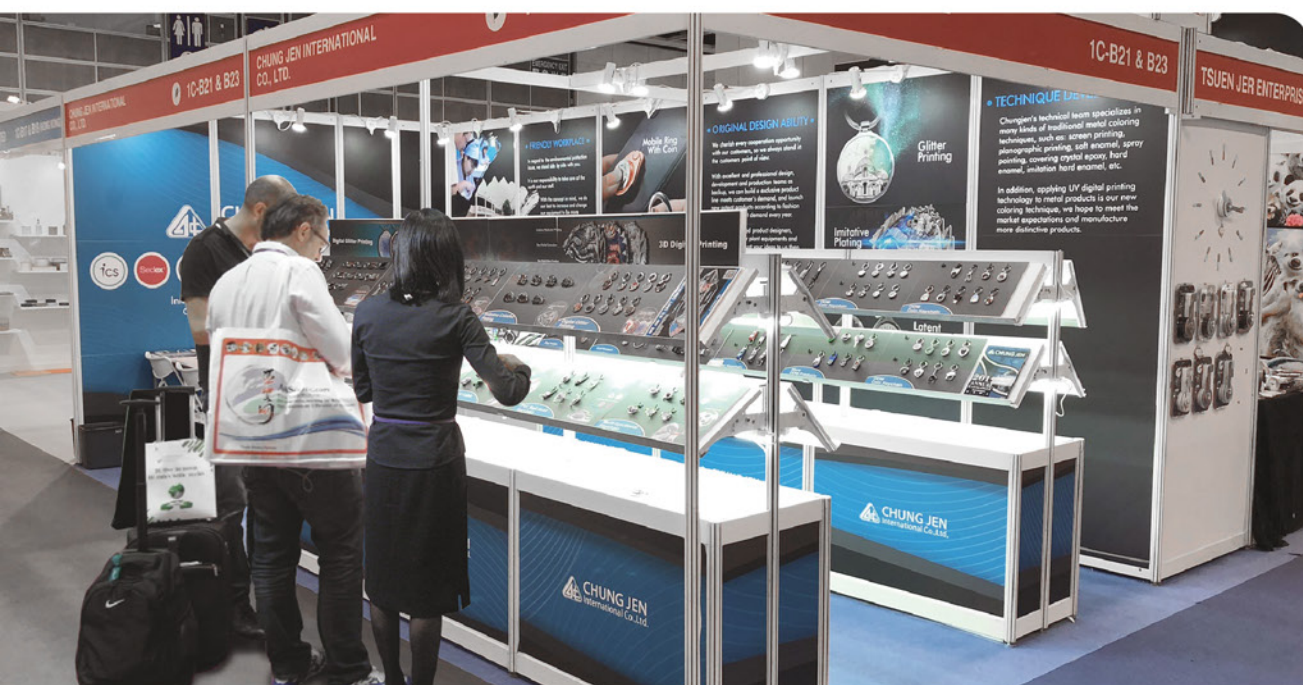

## MANUFACTURING EXPERIENCE

Chung Jen has over 30 years experience in manufacturing zinc alloy products and is dedicated in developing new gifts & premiums with professional R&D team. In 2013, we extended the production line for plastic products which increases product variety to getting closer to customer needs.

## CUSTOMER RELATIONSHIP

The online customer service system allows you to ask questions more quickly and get answers in a short time. In addition, in order to better understand the needs of our customers, we also actively participate in major commercial exhibitions and establish trust relationships with our partners through frequent exchanges.

## OUR PROMISE

Employee Care

Environmental Protection

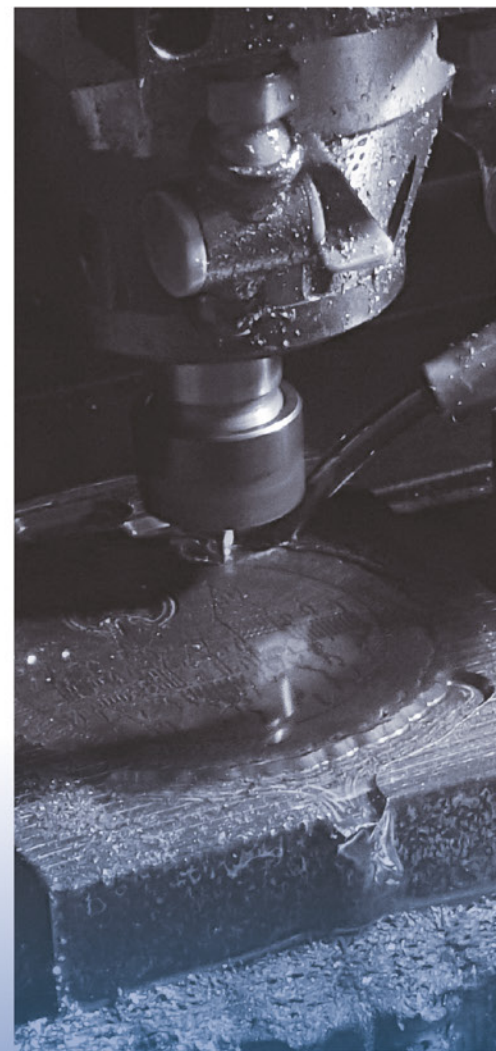

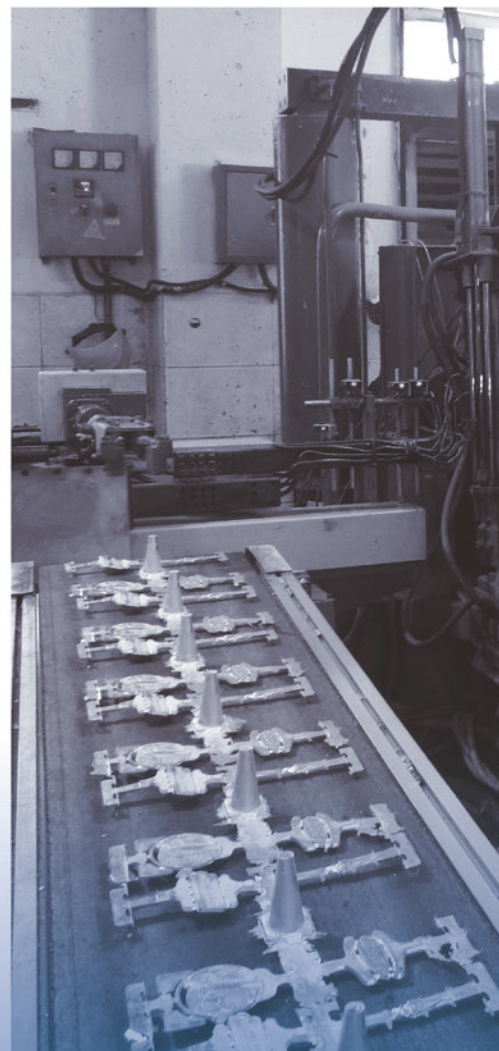

Economic Sustainability

## ONE-STOP SERVICE

We focus on service, quality, and customized products to meet customer needs. One-stop service, from design, production, quality inspection, packaging to delivery, meets all your needs at once. From the development of small-scale processing plants, Chung-jen has been awarded the "Excellent Employer Enterprise" by the Quanzhou Foreign Economic Committee and the Shishi City Government. The growth is obvious to all.

## AUTOMATED PRODUCTION

By using Gz3 zinc alloy, which is 95.67 percent pure zinc, our patent products are stronger and more impact-resistant than competing models. The material also conforms to REACH regulations in Europe, facilitating RoHS and CE marks being awarded to our products. Developing new products, upgrading technology, lowering cost, speeding up capacity, promoting excellent quality product and creating additional value are our business commitment.

Please visit the VR Exhibition Hall  
for more information.

## DIGITAL PRINTING BADGE

◇ New technology to make your product unique ◇

Our technicians are still researching the effects of UV digital printing on metal products and developing new coloring technique – “glitter digital printing”.

Compared with the general digital printing, the “glitter digital printing” can show more layers and more changes in color, making the product more eye-catching!

## ANIMAL ORIGAMI NECKLACE

Origami is a Japanese word that means "blessing" and "yearning" in some Asian cultures. Using the folding technique, you can create various patterns and designs from paper to express your mind. Onlygo designers collect animal shapes by patterns and show the symbolic meaning of the animals to create cute, simple, but elegant animal necklaces.

There are eight different types of Animal Origami Necklaces: a healthy elephant, a warm alpaca, a sweet rabbit, a clever squarrel, a friendly dog, a bear, an elegant cat, and a wise parrot.

Based on the video "The Red Shiba Inu Doesn't Want to Go Home," Onlygo's designer created a phone ring holder with six different types of dogs that display a cute face when they don't want to go home. It appears as if you are pulling your dog when you pull your phone ring.

Pets Don't Want to Go Home Series - Phone Ring Holder has six kinds of dogs: red shiba, black shiba, white shiba, husky, pug, and chihuahua.

Onlygo's designer completely understands the "Veg out is Truth" trend and uses it as the main idea, combined with the magnet, to design the "Lazy Animal Magnet." Use a cute pattern and warm color to show how comfortable the animal is when lying flat.

## LAZY ANIMAL MAGNET

Lazy Animal Fridge Magnet features eight different animals, including a pig, sheep, bear, rabbit, unicorn, dinosaur, calico cat, and capybara.
